

Assembly Guide

TASCA SERIES I TABLE

Designed by Pedro Sottomayor

FRAMA

Inspired by the local taverns around Portugal, called “tascas”, the Tasca Collection, including a chair and stool is a lightweight series for both indoor and outdoor spaces. Made in natural aluminum with a distinctive finish done by hand, each piece is soft in texture, with a smooth, rounded form that encases the user.

TABLE

- PARTS -

Ⓐ Table top x 1

Ⓑ leg x1

Ⓒ Base x1

Ⓓ Screw (M6x20mm)
x4

Ⓔ Screw (M6x45mm)
x4

Ⓕ Allen key x1

1.

Start by placing the table top (A) upside down on stable and flat surface. Position the leg (B) insert the screw (D) through the aligned parts. Tighten the screw (D) using allen key (F) to secure the components in place.

2.

Align the base (C) and insert it into the leg (B). Tighten the screw (E) using allen key (F) to secure the components in place.

3.

Place the assembled table upright.

In order to preserve your new FRAMA pieces for years to come, we've produced a guide on the materials we use and how to best care for them. Following these instructions will help to maintain the appearance and quality of your items after repeated use and cleaning.

For material care and maintenance instructions, scan the QR code using your mobile device.
